

Ownership Mini Series

Why should I buy a holiday home?

If you've been thinking about buying a static caravan or lodge, you probably have lots of questions.

The first—and perhaps most important—might be, "Why should I buy a holiday home?" ... and maybe even, "Why shouldn't I buy a holiday home?"

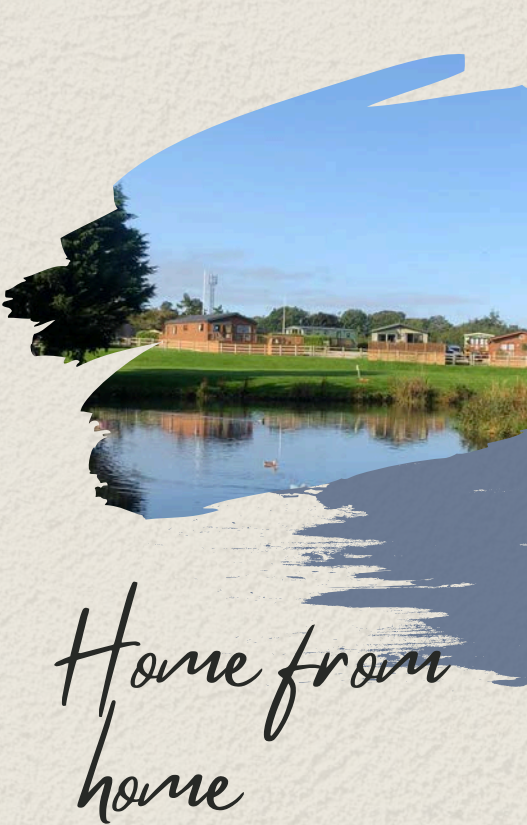

We're here to shed some light and help you navigate holiday home ownership, so you can decide if it's the right choice for you!

Home from home

Life is busy—family, work, health, and more. So when we get those precious moments of downtime, the last thing we want to do is pack our bags, book a holiday, spend hours traveling, and arrive feeling disappointed, tired, and stressed.

Maybe we should have just stayed in the comfort of our own home?

But what if you could escape somewhere close by, with everything you need already there? Imagine jumping in the car and heading to your very own 'home away from home'—a holiday retreat furnished in your style, with your slippers by the door and your favourite tea in the cupboard (or perhaps your favourite wine in the fridge!).

Unlimited Holidays

How often do you go on holiday?

How often would you go on holiday?

What stops you going on holiday?

If you've been dreaming of more holidays and year-round escapes, we've got you covered!

Owning a holiday home with us gives you access to our park 12 months of the year, allowing you to come and go as you please.

Bring the whole family, or escape on your own—whatever floats your boat! You can enjoy unlimited holidays with your very own personal getaway.

Community

At Thorpe, we're proud to be a family-owned park where our owners truly get to know us!

But we're also a place where owners get to know each other. Join our growing community and enjoy forming new friendships with fellow owners and families at the park.

We host regular events, so if you're feeling sociable, you can join us for those too!

Even our animals love meeting new owners!
